

G.Capper Plumbing and Heating Boiler Service and Cover Plans Terms and Conditions.

We understand that terms and conditions are often extremely difficult to understand due to how they are written. We have tried to keep our Boiler Service and Cover Plans terms and conditions extremely clear so you know exactly what is and isn't covered.

1. Scope of Contract

1.1 G.Capper Plumbing and Heating will provide the level of cover described within the 'Plan Summary' below subject to an initial chargeable service and inspection.

1.2 When referring to 'We' this refers to G.Capper Plumbing and Heating

1.3 This contract is strictly a maintenance contract and is not an insurance policy. G.Capper Plumbing and Heating is therefore not regulated by the FCA.

1.4 This plan is intended for domestic boilers only and will only carry out works at residential properties

Your heating system is made up of a number of different components. The components of the heating system covered within each plan are as follows:

3.2 Bronze Plan

- Boiler and all internals (except main heat exchanger)

3.3 Silver Plan

- Boiler and all internals (except main heat exchanger)
- Circulation pump
- Heating pipework
- Pressure controls
- All gas supply pipes

3.4 Gold Plan

- Boiler and all internals (except main heat exchanger)
- Circulation pump
- Thermostatic radiator valves
- Timer/thermostat
- Pressure controls
- Heating pipework
- All gas supply pipes

Below you will find information on each of the benefits within our service plans. Please refer back to 'Our Plans' above to see which items below are included in each plan.

4. Annual Service

4.1. One of our Gas Safe qualified engineers will perform the service and safety check in line with manufacturers instructions

4.2. Included in this service/safety check, we will perform the following as a minimum:

- Check emissions using a fully calibrated flue gas analyser
- Check of the inlet and working gas pressure
- Clean condensate trap
- Clean magnetic filter (if fitted)
- Clean inside of boiler case
- Gas rate if required
- Test of safety devices and all safety checks in line with Gas Safe guidelines

4.3. We will also inspect the radiators, hot water cylinder and other components for leaks or defects

4.4. A gas tightness test will be performed in certain circumstances to ensure the property is free from gas leaks

4.5. The annual service will be arranged at a time and date convenient to you and in the month of your contract renewal. Unless otherwise arranged with the contract holder beforehand.

4.6 The annual service will be carried out Monday to Friday between 9 am and 5 pm unless otherwise agreed by G.Capper Plumbing and Heating

5. Annual System Water Test

5.1 We will complete a test to check the quality of system water and determine the appropriate treatment to ensure the system works at optimum efficiency, and the boiler is fully protected.

5.2 Results of the test may require additional work to be carried out on the boiler that may or may not be included depending on the plan that you are on.

6. Priority Callouts

6.1 We will endeavour to attend all breakdowns within the timeframes below based on your plan:

Gold Plan: Breakdowns reported before 5 pm within 4 hours

6.2 In the event of a breakdown being reported on Saturdays, Sundays, Bank Holidays or after 5 pm, we endeavour to attend the property within the timeframes below based on your plan:

Gold Plan: Next working day

6.3 The timeframes outlined above are subject to workload and availability

7. Breakdown Labour Discount

7.1 In the event of a breakdown, we will need to charge for our labour to identify the issue and carry out the repair. Customers have the right to discounted breakdown labour based on their plan as outlined below:

Bronze Plan: 2 Callouts per year

Silver Plan: 2 Callouts per year

Gold Plan: 3 Callouts per year

7.2. Where call outs are unlimited this is subject to fair use and adequate severity.

7.3. Parts will not be covered and will be chargeable in full

8. Out of Hours Boiler Service

8.1 Customers have access to booking boiler services outside standard trading hours giving access to evenings up until 7 pm and weekends

8.2 The timeframes outlined above are subject to workload and availability

9. Loyalty Discount on Other Services

9.1. We offer other services within G.Copper Plumbing and Heating that include:

- Full system powerflushing
- Boiler replacements
- System upgrades

Silver Plan: 10% Discount on all labour

Gold Plan: 10% Discount on all labour

10. Exceptions

10.1 Any breakdown that is caused by sludge, scale or system deposits will not be covered - this will be confirmed by an independent water quality test if required (chargeable to customer if it fails)

10.2 Any breakdown that is a result of a problem with the water mains, electrical grid or gas main/meter. Including having no credit on a gas meter.

10.3 Pre-existing faults and defects in the design or installation of the system.

10.4 Any breakdowns caused by blocked drains backing up into the boiler.

10.5 Replacement of cosmetic parts such as boiler casings and covers

10.6 Faults caused due to the fabric of the building, for example, pipes in walls bursting due to subsidence

10.7 Any defects caused due to malicious actions, misuse or third party interference.

10.8 Any defect caused by; fire, flood, lightning, explosion, storm, frost, terrorism or the impact of any other extraneous cause.

10.9 We will not be held responsible for delays in the provision of parts from suppliers or delivery firms

10.10 Our Boiler Service and Cover Plans do not cover the main heat exchanger of a boiler

10.11 Our Boiler Service and Cover Plans do not entitle our customers to free labour. Instead, this will be discounted based on the plan you are signed up to.

11. Missing / Cancellations of Appointments

11.1 Customers that have arranged a breakdown callout or annual service are given a 2-hour slot, if the engineer attends and the customer is not available a rebooking amount of £50 is charged to re-attend.

11.2 Customers must give 24 hours notice to change an appointment date/time otherwise a rebooking fee will be charged

12. Use of Subcontractors

12.1 We reserve the right to use subcontractors to carry out any breakdowns or annual services. All subcontractors will be Gas Safe registered and vetted by us for suitability

13. Period, Renewal and Payment Contract

13.1 This contract is valid for a period of 1 year (12 months) from the date the first direct debit is collected

13.2 The contract will be automatically renewed into a monthly rolling contract unless instructed by the customer to cancel. The customer must give notice no later than 14 days before the renewal date

13.3 We reserve the right to cancel the renewal of any contract without giving a reason.

13.4 In the event of non-payment of the Direct Debit cover will be suspended until the account is brought up to date and no works will be carried out

13.5 The contract is cancelled if the customer misses 3 consecutive payments without contacting after the initial 12 months period. Failure to make payments within the initial 12 month period will result in a £15 administration fee on the account along with payment to get the account balance up to date

13.6 We reserve the right to cancel any policy at any time if a customer is found to have broken any terms in these conditions.

14. Certificates

14.1 All certificates will be held electronically by G.Capper Plumbing and Heating

14.2 Customers can request copies of any certificate at any time via email without charge.

14.3 Customers can request a hard copy of any certificate subject to a printing and postage charge of £5.

15. Cooling Off Period

15.1. Customers are entitled to a full refund within 14 days of signing the contract. Any breakdowns within this cooling-off period will be charged at the full amount in the event of cancellation.
